### Pek 2na Sutzopna

Himahleh, Pastor Trevor khami ka sa mahmah a, Saturday a short sharing a gen manpha ka sa a, ka bil ah tam den hi. "The King is sitting on His throne and watching us - is it not great to know?"

>Themed selection of songs and of the selected portions therefrom as practised during Adopted Worship with visitors from Cityview Church has given me a new dimension in inspired worship songs. Praise the Lord!

>It was really a blessing and a privilege for me to be part of the Worship Event with the Gospel Team from City View Baptist Church, Vancouver, Canada organised by EBCC, Delhi. The songs aroused my spirit and longingness for the Lord and gave me a desperate desire to do His Will. I was so glad as I realised that I was adopted by God and who was an outsider was made insider by His Grace alone. The short and sweet sharing by Pastor Trevor Josh touched me from inside out. Looking forward for more of this kind of worship events. Thanks to the worship team of EBCC, Delhi for organising this event. (*Sutzop di*)...
