1. In Lalpi I saw his mom (now with an advanced case of Alzheimer's disease) and the success of her prayers and deep devotion to God.

2. Musical instruments used in true worship in no way hampered the worship atmosphere. In the hands of worshippers they only enhanced the depth of worship.

3. Prayerful choice of songs and including all time popular song like 'Van Laukha siangthou' met the mood and need of the congregation. May God continue to bless them!

>The artistic skill and the wonderful speeches through music still rang in one's heart and it will not vanish in a thin air! Their performance taught us corporate worship in the true sense!
