"WHERE ARE WE GOING???"

Rev Billy Graham has died at 99. Below is one of his last speeches:
"WHERE ARE WE GOING???"

In January, leaders in Charlotte, North Carolina invited their favorite son, Billy Graham, to a luncheon in his honor. Billy initially hesitated to accept the invitation because he struggles with Parkinson's disease. But the Charlotte leaders said, 'We don't expect a major address. Just come and let us honor you.' So he agreed. After wonderful things were said about him, Dr. Graham stepped to the rostrum, looked at the crowd, and said, "I'm reminded today of Albert Einstein, the great physicist who this month has been honored by Time Magazine as the "Man of the Century".

Einstein was once traveling from Princeton on a train when the conductor came down the aisle, punching the tickets of every passenger. When he came to Einstein, Einstein reached in his vest pocket. He couldn't find his ticket, so he reached in his trouser pockets. It wasn't there. He looked in his briefcase but couldn't find it. Then he looked in the seat beside him. He still couldn't find it. The conductor said, "Dr. Einstein, I know who you are. We all know who you are. I'm sure you bought a ticket. Don't worry about it." Einstein nodded appreciatively. The conductor continued down the aisle punching tickets. As he was ready to move to the next car, he turned around and saw the great physicist down on his hands and knees looking under his seat for his ticket.

The conductor rushed back and said, "Dr. Einstein, Dr. Einstein, don't worry, I know who you are; no problem. You don't need a ticket. I'm sure you bought one." Einstein looked at him and said, "Young man, I too know who I am. What I don't know is where I'm going." Having said that Billy Graham continued, "See the suit I'm wearing? It's a brand new suit. My children, and my grandchildren are telling me I've gotten a little slovenly in my old age. I used to be a bit more fastidious. So I went out and bought a new suit for this luncheon and one more occasion. You know what that occasion is? This is the suit in which I'll be buried. But when you hear I'm dead, I don't want you to immediately remember the suit I'm wearing. I want you to remember this:

I not only know who I am. I also know where I'm going.
May your troubles be less, your blessings more, and may nothing but happiness, come through your door.
"Life without God is like an unsharpened pencil - it has no point.
And may each of us have lived our lives so that when our ticket is punched we don't have to worry about where we are going.
You have been blessed. So don't lose the blessing. This piece is worth sharing. We all need to know where we are going.

Powerful Quotes by Billy Graham:

"The will of God will not take us where the grace of God cannot sustain us."
"God never takes away something from your life without replacing it with something better."
"I've read the last page of the Bible, it's all going to turn out all right."
"It is the Holy Spirit's job to convict, God's job to judge and my job to love."
"My home is in Heaven. I'm just traveling through this world."
"God proved his love on the Cross. When Christ hung, and bled, and died, it was God saying to the world, 'I love you.'"

"Suppose you could gain everything in the whole world, and lost your soul. Was it worth it?"
"There is nothing wrong with men possessing riches. The wrong comes when riches possess men."
"If a person gets his attitude toward money straight, it will help straighten out almost every other area in his life."
"The only time my prayers are never answered is on the golf course."
"We are the Bibles the world is reading; we are the creeds the world is needing; we are the sermons the world is heeding."
"A real Christian is the one who can give his pet parrot to the town gossip."
"I have never known anyone to accept Christ's redemption and later regret it."
"When wealth is lost, nothing is lost; when health is lost, something is lost; when character is lost, all is lost."
"Comfort and prosperity have never enriched the world as much as adversity has."
"Courage is contagious. When a brave man takes a stand, the spines of others are often stiffened."
"Christ not only died for all: he died for each."
"Heaven is full of answers for which nobody ever bothered to ask."
"Take one day at a time. Today, after all, is the tomorrow you worried about yesterday."
"We say to our children, 'Act like grown-ups,' but Jesus said to the grown-ups, 'Be like children.'
"Sin is the second most powerful force in the universe, for it sent Jesus to the cross. Only one force is greater—the love of God."
"Knowing we will be with Christ forever far outweighs our burdens today! Keep your eyes on eternity!"
"World events are moving very rapidly now. I pick up the Bible in one hand, and I pick up the newspaper in the other. And I read almost the same words in the newspaper as I read in the Bible. It's being fulfilled every day round about us."
"God will prepare everything for our perfect happiness in heaven, and if it takes my dog being there, I believe he'll be there."
"Tears shed for self are tears of weakness, but tears shed for others are a sign of strength."
"Being a Christian is more than just an instantaneous conversion – it is a daily process whereby you grow to be more and more like Christ."
"The framers of our Constitution meant we were to have freedom of religion, not freedom from religion."
"They asked her (Ruth Graham) did she ever think about divorce and she said, 'No, I've never thought of divorce in all these 35 years of marriage, but,' she said, 'I did think of murder a few times.'"
"Mountaintops are for views and inspiration, but fruit is grown in the valleys."
