WORSHIP THROUGH OFFERING: RIGHT MINDSET AND ACTION

[*Gamchiam, April 28, 2019 issue a kisuah Sutzopna*]

THREE IMPORTANT PRINCIPLES OF GIVING: 2. God has given us first (2 Cor. 9:15; Eph. 1:3)

When we talk about God's blessing and give thanks to Him, we center our gratitude towards the earthly blessings and forget the spiritual blessings 2 Cor. 9:15 says, "Thanks be to God for his inexpressible gift!" And Eph. 1:3 reads, "Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessings in heavenly places." We have to be thankful for the gift, the gift of the Holy Spirit and of eternal redemption. It is not us who has given God but it is God who has given us first..

3. Do not give with the expectation of being repaid (Rom. 11:33-35)

In worldly administrative dealings, we try to entice people in power by giving them bribe with the expectation that they will favor you. It is easy to have this mindset while giving to God. In a Christian act of giving, we should not give with the expectation that God will reward you manifold. We are promised that we will be repaid in full. But when we give with this expectation alone, we are trying to bribe God. God loves the wilful giver, who gives it with his whole heart.

[NOTE: This article, WORSHIP THROUGH OFFERING: RIGHT MINDSET AND ACTION is in fact a sermon, powerfully delivered by Pastor Thuamminlian Guite on 7th April, 2019 @11AM worship service, and message rendered into English by one of the Content Writers, Tg Summinlun. The write-up can also be read at our official website - ebccdelhi.org].
